

3b Copyright Declaration Form

Dear Editors,

I hereby declare that communicating as a capacity of the corresponding author for "A Literature Overview of the Sustainable Solutions in Air Transport Industry: Future Prospects" titled proceedings paper and acknowledged to deliver necessary consent, permission, copyright transfer, and publishing acceptance documents to the SARES from all co-authors. I know that mentioned proceedings paper will be published in the "*Sustainable Solutions in Aviation: Proceedings of International Symposium on Sustainable Aviation 2023*" book with the contributions of **Springer Nature** and the **International SARES Organization**. I understand the **ethical rules** of academic publishing and declare that there is no **copyright breach** for the materials used in the mentioned paper. Alternatively, I have already obtained permission from the copyright holder and delivered all necessary permissions for the excerpts of copyrighted works (including websites) such as illustrations, tables, animations, or text quotations are included in the mentioned paper. The original publisher has issued these permissions for print and online format, which aligns with the **Springer Natures recommendations** in the link follows.
